The President is preparing a proclamation to explain that his recent peace proclamation abrogated martial law throughout the South, and that this one is necessary to disabuse the public mind that military interference in the coming Jeff. Davis trial will prevent an expression of a jury.

Miss Gunter, in Overton County, Tennessee, killed two scoundrels who had taken her old father from his house, and, after stripping him, were whipping him most unmercifully. She seized a hatchet and did her work effectually. The scoundrels were "loyal men." Mr. Gunter had been on the Confederate side.

The removal of radical office holders is making a great stir among politicians at Washington. The rump Congress is actually afraid to adjourn, lest Johnson get the upper hand before they re-assemble.

The French ship, Jean Arc, is now at Annapolis, with 100 midshipmen, who are there to witness the annual examination of our naval cadets.

The Boston Traveller announces the arrival there of five cargoes of lumber, over 500,000 feet in all, from Jacksonville, Fla.

## WEEKLY COMPENSATION IN CASE OF TOTAL DISABILITY !

THIS is the first and only institution of the kind ever organized in the Southern States for the purpose of INSURING AGAINST LIFE and ACCIDENT.

It insures against accidents of every description, whether they occur while traveling by cars, steamboats or other public conveyance; while engaged in the store, office, workshop, factory, on the farm, or in any of the ordinary occupations of life; whether riding, walking, hunting, boating, fishing, engineering, surveying, railroad, steamboat or seated by the domestic fireside.

General Accident Policies issued by this Company secure to the person insured the payment of a fixed sum per week (from \$3 to \$50) during the time he may be disabled by accident, not to exceed twenty-six weeks for any one accident; and in case of death by any form of casualty, the payment of a fixed sum (from \$500 to \$10,000) to the friends of the person insured, or party for whose benefit the policy is issued.

Under the system adopted by this Company, persons may be insured for weekly compensation only, for death only, or for both.

The rates of premium are LESS than in any other class of insurance, in proportion to the risk.
